

Kirtlington Good Neighbour Scheme

KGNS are here to support any villagers who may need help with small tasks around the home, such as, changing a light bulb, moving a piece of furniture, a plant in the garden, or collection of prescriptions from local surgeries. Please contact us via the email address below if you know of anyone who may need support.

KirtGNS@gmail.com

We also have a team of DBS checked volunteers who can occasionally visit senior citizens in their home. Many of these visits have led to long term friendships.

In December, KGNS volunteers delivered Christmas hampers and poinsettias to over 50 senior residents who live in Kirtlington, Northbrook and a local residential care home.

Forty Easter eggs were also delivered in April this year.

KGNS received many calls and thank you cards from the grateful recipients.

Subject to funding there is a plan for an Afternoon Tea to be held at the Village Hall later this year to gather senior residents and volunteers together in a fun social setting.

Grateful thanks go to the Kirtlington Fete Committee, Mid Counties Cooperative Community Fund and the Allotment Society whose support in 2023 helped to fund the ongoing activity of KGNS.

Thank you.

Chris Brett

KGNS Chair
