

KPC PLANNING REPORT FEBRUARY 2025

No New Planning Applications

Previous Planning Applications

24/03331/TPO	<p>T1 - Walnut labelled "W" on aerial map and identified with ORANGE in photos, to reduce crown back from highway to near boundary line, leaving ample growth points to maintain canopy density. T3 - Lime labelled "L" on map and BLUE on photos, mature lime appears in good health, with well formed unions and attempts at self bracing in lower canopy, to re-reduce canopy to previous points and lift canopy to 5m from ground level, only removing tertiary growth, no primary or secondary growth. Subject to TPO 08/2018.</p> <p>Trinity Lodge, Bletchingdon Road <i>KPC – No objection subject to conditions</i> <i>CDC – Under consultation.</i></p>
24/03349/TCA	<p>T1 - Maple labelled "M" on map and PURPLE on photos, to reduce crown back from highway to near boundary line, leaving a well formed balanced canopy (tree has heavy lean but canopy outline is near in line with neighbouring trees)</p> <p>Trinity Lodge, Bletchingdon Road <i>KPC – No objection subject to conditions</i> <i>CDC – Application permitted</i></p>
24/03258/F	<p>First floor side extension.</p> <p>6 Gossway Fields <i>KPC – No objection subject to conditions</i> <i>CDC – Application permitted</i></p>
24/03034/TPO	<p>T1 (Walnut) - Dismantle the tree in sections in order to fell to ground level. Grind out the stump to sufficient depth to ensure it is completely removed so as to facilitate replacement planting - subject to TPO 13/1992</p> <p>4 Pound Close <i>KPC – No objection subject to conditions</i> <i>CDC – Under consultation</i></p>
24/03056/F	<p>Erection of replacement dwelling (self-build).</p> <p>6 Park Close <i>KPC – No objection</i> <i>CDC – Under consultation</i></p>
